

**Rotary Public School**  
**Sector 22, Gurugram – 122015**

**SCHOOL POLICY FOR CHILDREN WITH SPECIAL NEEDS**

Inclusion means students are served in the least restrictive environment and are included in the general education setting as much as possible. Rotary Public school recognizes that students come from variety of cultures, backgrounds and have a variety of academics, physical and other needs

- Undertake continuous awareness creation programs on special needs education
  - To ensure that every child has an equal opportunity to participate in all aspects of schools life, irrespective of their disabilities or special needs.
  - Regular contact with parents is maintained and working partnership with them raising awareness and to provide regular training and development of the staff.
  - To identify as early as possible those pupil with SEN and the nature of their needs. Peer moderators and class buddies are encouraged to help students with special needs.
  - Time to time workshops is organized by the counselor to update latest techniques to accommodate students with special needs.
  - Anecdotes and portfolios for each student since their admission are maintained by the in charges.
  - Constant evaluation and revisions to enable students to reach their optimum level
  - Time to time confessing session and interaction with students and parents.
  - Remedial classes for students with special needs.
  - Provision of CBSE exams concessions as per the CBSE Board.
